April 2019

Dear Parents/Guardians,

The Grade Six Outdoor Education program focuses on learning in many subject areas including science, art, physical education, language arts and math. We will also use the opportunity to do special outdoor activities such as orienteering, canoeing and archery. All activities are taught by qualified instructors, and we have a certified First Aid/CPR person on site at all times.

Parental involvement is essential in order to run a successful outdoor education program. Our head cook, Kari Byvank, will order the food and plan the menu, but we will need volunteers to give her a hand in the kitchen. As well, we need adults to sleep overnight in each cabin. The sleepover nights for each class are: 6W & 6Cournoyer-Tuesday, 6C - Wednesday, all grade 6 classes-Thursday.

Please return the attached Parent Volunteer form as soon as possible if you are willing to assist at Outdoor Ed this year. Thank you for your support.
