Collection of Personal Information Notice

The FOIP Act (Freedom of Information and Protection of Privacy) sets controls and standards on how public bodies, such as school boards, collect, use and disclose personal information that is in their custody or under their control.

The FOIP Act requires that school boards collect personal information directly from individuals the information is about, that these individuals be provided with the legal authority for the collection, be explained the purpose of the collection and how the information will be used, and be provided a contact person should they have any questions relating to this activity.

The information collected on this form as part of the school registration process is personal information as referred to in the FOIP Act. This personal information is collected pursuant to the provisions of the School Act and its regulations (e.g. for the establishment of a student record, determination of residency) and pursuant to section 33(c) of the FOIP Act as the collection is related directly to and is necessary to a school board's obligation to provide students with an education program that meets their needs and to provide a safe and secure school environment (e.g. program placement, determination of eligibility and/or suitability for provincial or federal funding, contact and health related information in the event of problems or emergencies). Personal information may also be provided to the Minister of Education for the purpose of carrying out programs, activities, or policies under his administration (e.g. research, statistical analysis).

Once the information is collected and compiled, Pembina Hills Regional Division No. 7 believes the uses listed below are part of a vital, healthy and functioning school and participation of all students is important and encouraged. Here are examples of activities where the information may be used:

- the taking of individual, class, team or club photos for school purposes.
- the use of student information, including photos, for the issuance of bus transportation passes and for other identification purposes.
- the use of students' names in honour rolls, work ethic (listings), graduation ceremonies, scholarship or other awards within the school or school division.
- the use of students' names and academic information necessary for determining eligibility or suitability for provincial, federal or other types of awards or scholarships in the event the board applies on a student's behalf.
- the use of students' names, related contact information and telephone numbers for absenteeism verification.
- the taking of photos and/or videos of classroom activities, and their use by the media or other organizations where students are not interviewed or identified by name or face. Where individual students are identified or interviewed and the material will be used outside the school, your consent is required. Please note that photos and/or videos of school activities that are open to the general public may be taken and used for purposes within and outside of the school.
- the taking of photos/videos of classroom or other school activities by the school board where the material will be used within the school. Where individual students are identified or interviewed and the material will be used outside the school, your consent is required.
- the use of students' names on artwork or other creative work or material of students displayed at school or school board locations or at a school board sponsored display in the community, provided Form 3-48 is properly completed. [Note that this relates to the Copyright Act (Canada), not the FOIP Act]

If you have any questions or concerns regarding the collection and the intended purposes, please contact your school principal or the FOIP Coordinator at 780-674-8500.

Please complete the Student Information – General Consent Form on Page 2. >>>

Permission and Acknowledgement of Risk – School, Physical Education, Off-Site Activities, Intramurals

F 6-08A

Dear Parent/Guardian:

Pembina Hills Public Schools is committed to the health, safety and overall well-being of its students and staff. Students and staff who are supported in a healthy environment are better able to fulfill the Division's education goals.

Students in our schools participate in daily physical activity including playground time, school based sports activities, intramurals, field trips and walking to and from buses. During any activity but especially activities where collisions can occur, students are at a risk for concussions. Educators and school staff play a crucial role in the identification of a suspected concussion as well as the ongoing monitoring and management of a student with a concussion.

In the interest of safety, students MUST:

1. For physical education classes and intramural activities: wear appropriate attire for safe participation (e.g. T-shirt, shorts or track pants). Running shoes that provide good support and traction are a minimum requirement.
2. Hanging jewelry (e.g. necklaces, hoop earrings) must not be worn. In many activities (e.g. tag games, climbing, etc.) no jewelry can be worn. Jewelry which cannot be removed and which presents a safety concern (e.g. medical alert identification, religious requirement jewelry) must be taped or securely covered.
3. For the daily physical activities: wear appropriate running shoes and loose-fitting clothing that will not inhibit movement.

In the interest of safety, we strongly recommend:

1. Students have an annual medical examination.
2. Students bring their emergency medications to all curricular and co-curricular physical activities.
3. Students remove eyeglasses during daily physical activity, physical education classes and intramurals. If eyeglasses cannot be removed, the students must wear an eyeglass strap or shatterproof lenses.
4. Students wear/apply environmental protection for all outdoor activities (e.g. sunscreen, hat, insect repellent).
5. A safety inspection is carried out at home of any equipment brought to school for personal use in class, or in intramural/club activities (e.g. skis, skates, helmets).

Notification of AP 60-08 Concussion Protocol

Should your son/daughter/ward sustain an injury where a concussion is suspected then Administrative Procedure (AP) 60-08 Concussion Protocol must be followed.

If your son/daughter/ward is diagnosed with a concussion, Form 60-08D Documentation of Concussion Monitoring – Medical Examination must be completed and AP 60-08 Concussion Protocol must be followed before the student returns to physical education classes and intramural/ club activities.

For further information, please contact the school principal.

Elements at Risk

The risk of injury exists in every athletic activity. Falls, collisions and other incidents may occur and cause injury. Due to the very nature of some activities, the risk of injury may increase.

Injuries may range from minor sprains and strains to more serious injuries affecting the head, neck or back. Some injuries can lead to paralysis or prove to be life-threatening.

These injuries result from the nature of the activity and can occur without fault on either the part of the student, the school board or its employees/agents or the facility where the activity is taking place. The safety and well-being of students is a prime concern and attempts are made to manage, as effectively as possible, the foreseeable risks inherent in physical activity.

A student choosing to participate in physical activities assumes the risk of an injury occurring. The chances of an injury can be reduced by carefully following instructions at all times while engaged in the activity.

Please call the school to discuss safety concerns related to any physical activity in which your child/ward is participating.

Declaration

I have read and acknowledge the above activity and risk disclosure information provided to me about the school, physical education, off-site activities, intramurals, and club activities my son/daughter/ward will participate in.

I give my permission for my son/daughter/ward _____ to participate in the school, physical education, off-site activities, intramurals & club activities.
