October was a busy month! If you haven't had the chance to drive by the school, you will finally see that the front landscaping is completed. A huge improvement! I ask that students and community members stay off of the mulch. We are just waiting on some benches and tables to be set up.

Students have participated in two practice fire drills and one lockdown. We need to have four more fire drills over the course of the school year and I will have one more practice lockdown.

Parents, if you did not have the opportunity to sign up for parent teacher conferences, please call the school at any time to set up an appointment. Communication between school and home is vital. Our main form of communicating student learning is through FreshGrade. I strongly encourage you to connect with your child's teacher if you have not done so.

We look forward to November with some school spirit days, Remembrance Day ceremony, sports events and a long weekend.

Sincerely,

Amber Monteath

SPECTATORS...

Unfortunately, due to COVID regulations, spectators will not be allowed in the school when our students are participating in sport activities.

REMEMBRANCE DAY CEREMONY...

Due to COVID, we will not be gathering as a whole school to have our Remembrance Day Ceremony. On Wednesday, November 10, WES will have our ceremony in classrooms via google meet.

2020/2021 YEARBOOKS FOR SALE...

Last year's yearbooks have arrived. We only have a certain number. First come, first serve.
\$18 cash or cheque only.

SCHOOL COUNCIL NEWS...

Pizza day is Nov. 18th. Thank you School Council for organizing these days!

School council is selling water bottles for \$10 each. Cash only. These can be purchased at the school. There is a limited number.

Our next **school council meeting is Nov. 18 @ 5:30** in the Library.

CHRISTMAS CONCERTS...

We will have the same format as last school year. Sadly, there will be no in person concerts. Mrs. Schmidt has already begun practicing and will be videotaping classes. More information on how to view your child's concert will come out in December

INDOOR/OUTDOOR SHOES...

As the weather starts to change and we have snowy or rainy days, students **MUST** have indoor and outdoor shoes as our hallways get very dirty and wet. This message is particularly for our Grade 5 & 6 students. Thank you for helping keep our school clean.

MESSAGE FROM WESTLOCK PUBLIC HEALTH...

A Message from Westlock Public Health:

Public Health will be presenting to the school this fall to vaccinate the students for their school aged immunizations. Hepatitis B and Human Papilloma Virus (HPV) will be a two dose series for *most* students. The second dose is to be given at least six months after the first; Public Health Nurses will plan to return in the late spring.

COVID-19 vaccine will NOT be offered during routine school immunization clinics.

If you have any questions, please feel free to contact our office at 780-349-3316

TERRY FOX...

WES students raised \$338.55! Thank you for your donations.

THANK YOU...

A huge thank you to Farm Credit Canada for a \$500 donation towards our school! We have purchased some new science equipment.
