Fieldtrip

Dear Parents and Guardians,

Once again the month of April has just flown by and we are heading into the busy month of May with several classrooms participating in field trips and different activities. A friendly reminder that if your child doesn't have their walking permission forms completed online he or she will not be able to partake.

We kicked off the month by having our first school assembly in the gym where Mr. Kwan's class and Mrs. McMillan's students got to pie us in the face for the reading challenge we held just before spring break.

Last week we hosted our Kindergarten Open house. The event was very successful! Staff got to meet our future students and connect with parents. The best part was seeing the huge smiles on the children's faces as they entered the school!

As mentioned in the previous newsletter, Kindergarten registration is always open! Have you ever considered French Immersion? Please call the school if you have some questions and we will direct you to speak to one of our FI teachers!

Sincerely,

*Amber Monteath*

**Freaky Friday Dress up day:** Students dress like teachers and teachers dress like the students. Sometime during the day, teachers will be swapping classrooms and teaching a different grade for one period!

## Are You Moving...

Please call Toni or Linda at the office (780-349-3385) if you are moving away for next school year. This helps teachers when making class lists.

## Whole School Recognition...

### We're Getting A Little "Ant"sy For Summer Break!

As we enter the last few months of school, we decided that we have enough time for one last whole school recognition project! When our students are caught helping others, respecting those around them, or simply working hard to make our school a better place, they will receive..... an ANT (don't worry, it's plastic)! Waiting by the office will be an anthill for these little insects to find a home. [Once the anthill is overflowing and they make their way to the picnic basket, our students will receive a "Whole School" picnic followed by an outdoor game!](#)

**Along with a picnic and whole school game for recognition, there will be one additional draw per grade level. Camp Mack has generously donated one camp for each grades 1-6 class!**

The details are as follows:

Grades 1-3 - One 3 night camp per grade

Choice of Dates - July 3rd - July 6th or August 16th - 19th

Grades 4-6 - One 5 night camp per grade

Choice of Dates - July 8th - 13th, July 24th - 29th, or August 9th - 14th.

*More information about the camps can be found at [campmack.ca](http://campmack.ca).*
