Dear Parents & Guardians,

As I reflect on this past year, we have so much to be thankful for. Yet again, staff and students were faced with the challenges that Covid brought, but we all were able to persevere. I am so thankful and happy that we can end our year being able to gather as a school community, participate in multi grade activities and welcome our parents to volunteer. June will go by very quickly as we have many events planned such as track and field, talent show, field trips and outside activities. I want to thank you for your continued support and I look forward to what next school year will bring! I hope that you have a wonderful summer break, enjoy the hot weather and time with family and friends!

Sincerely,

Amber Monteath

STAGGERED ENTRY SEPTEMBER 2022...

We will be once again having a staggered entry to the school year. Please see the date your child will begin school:

August 29 – First day of school for: grade 1, Fr. Imm 1/2, grade 3 and grade 5.

Please note these students do NOT have school on the 30th.

August 30 – First day of school for: grade 2, grade 4, grade 6, and Fr Immersion 3/4 & 5/6.

Kindergarten students have always staggered their entry. Kindergarten teachers will be in contact with parents in mid-August.

2022/2023 STUDENT/CLASS PLACEMENT...

A tremendous amount of thought and numerous factors taken into account to ensure that classes are balanced and all dynamics considered in realizing an optimal learning environment for all students. With this mind, we will not be moving students to different classrooms. Your child will find out which teacher they have next school year in the year end report card.

Kindergarten students...

Students who are registered for next year's Kindergarten classes will find out about classroom placement by the end of June. Our goal is to create balanced classrooms academically, socially, gender etc. Someone from the school will contact you.

GOOD BYE...

We have several staff who will be leaving us next year. Some are transferring to different schools within the division and others are moving away from the community.
