Dear Parents and Guardians,

May is a busy time of year with students participating in field trips and outdoor activities! On the 3rd, students and staff will be participating in different activities/stations promoting mental health. Thank you to Mme Wolff for organizing the day.

Later on this month students will get the opportunity to hit a target and have a bucket of water dumped on staff members' heads. This is because students reached the goal of reading 8000 minutes during reading month! Due to PHSD policy, dunk tanks are not prohibited so we had to come up with alternative dunk tank. Thank you to Sobeys, Kerri's Cafe & Bakery, Westlock Motors, Park Mazda, Bumper to Bumper, Raine family, Busby Hive, School Council and Kaltire for your donation to help fund the alternative dunk tank.

Second last week in April we hosted our Kindergarten Open house. The event was very successful! Staff got to meet our future students and connect with parents. Students are very excited to start Kindergarten.

This past week we celebrated numeracy by having the whole school participate in different daily numeracy activities. A huge thanks to the committee for planning the activities. There were daily riddles to answer, guessing the number of jellybeans in the jar, measuring with lego, creating flower math equations, Math About Me etc.

Sincerely,

*Amber Monteath*

## Are You Moving...

Please call Toni or Linda at the office (780-349-3385) if you are moving away for next school year. This helps teachers when making class lists.

## Hats on for Mental Health...

On Wed. May 3, students will be participating in a variety of activities to promote mental health.

Thank you to Mme Wolff for organizing the event and for staff running stations. Each student got to choose four stations of their choice. Examples of stations include dance, paper folding, worry stones, rock painting, coloring for calm, mindful movement, plasticine palooza, team games, all about the brain and fitness.

Don't forget to wear a hat to support mental health!
