GOOD
LUCK!

Dear Parents & Guardians,

I want to thank you for your support over the past school year! We have lots to celebrate. It brings me great joy when I think about how our students have grown since September and how the staff have worked so hard to provide a positive experience for your child. As we finish the school year, there are many events that are planned such as field trips, track and field, talent show and outside activities etc.

We are in the process of hiring for three positions (Gr. 1, Gr. 2 and Gr. 3). Staffing news will be shared toward the end of the month once everything is finalized.

Our Gr. 3/4 bathrooms are coming along nicely and very close to being done. They look fantastic!

I hope that you take the summer months to recharge and enjoy the hot weather with family and friends. To those students and families who are moving away, we wish you nothing but the best.

See you Wed. Aug. 30/23 when students return to school!

Sincerely,

Amber Monteath

2023/2024 STUDENT/CLASS PLACEMENT...

A tremendous amount of thought and numerous factors are taken into account to ensure all classes are balanced. With this in mind, we will not be accepting requests to move students to different classrooms. Your child will find out which teacher they have next school year in the year end report card.

23/24 KINDERGARTEN STUDENTS...

Students who are registered for next year's Kindergarten classes will find out about classroom placement by the end of June. Our goal is to create balanced classrooms academically, socially, gender etc. Your child's teacher will contact you at the end of June.

STUDENTS ARRIVING EARLY...

Now that students are biking to school and the weather is nice, we are noticing that students are arriving as early as 7:45 am. Please note we do not have morning supervision until 8:30 am.

SCHOOL COUNCIL NEWS...

Please hand in Boston Pizza receipts by June 23.

Swings, garbage cans and updating sandboxes will be completed over the summer. School council has raised all the required funds to build an outdoor gazebo! We are hopeful to have this project completed by the end of the summer.

School Council has been very active this school year supporting a variety of events. We thank you for providing hot lunch options to our students. Christmas raffle tickets and Santa's workshop were well received.

Thank you for supporting our Gr. 5 Ski trip, Gr. 6 Outdoor Ed, dunk tank and Fitset Ninja.

During Track & Field Day and K-3 Play day, School Council will be providing hotdogs and freezies for all students! **THANK YOU!**
