Dear Parents and Guardians,

Spring break has finally arrived and we can tell that students and staff are ready for a much needed break!

April is the time of year where we start reflecting on the year that was and begin planning for next year. Regional Office staff, Trustees and administrators are currently in the planning process looking at our existing division goals (literacy, numeracy, student staff relationships and inclusion/support for staff).

Reading month was very successful and so much fun! Students have managed to read over 8000 mins which means "Zoo 2 You" will be coming to WES and bringing a total of 12 animals with them!

Several open houses and orientations are happening within the division throughout the month! Please take advantage of these and stop by. More information below.

The last part of the year always seems to go by very quickly! Enjoy Spring break and Easter with your family and friends.

Sincerely,

Amber Monteath

Dogs during Pick up or Drop off...

Now that the weather is warming up and more people are walking with their dogs to pick up their children, **we ask that dogs stay far away from door entrances and sidewalks where students and parents walk.** Students and dogs can be unpredictable and we do not want any unforeseen injuries. Thank you.
