Dear Parents and Guardians,

We had a very successful turnout for our Kindergarten Open House, with over 40 students attending. Staff got to meet our future students and connect with parents. Students are very excited to start Kindergarten.

May is a busy time of year with students participating in field trips and outdoor activities! In order to attend a field trip, you must have your Criminal record and Child Intervention check up to date. Any questions, please see Mrs. Fifield in the office.

On the 8th, students and staff will be participating in different activities/stations promoting mental health. Thank you to Mme Gottschalk and her team for organizing the day.

It is great to see students biking or scootering to and from school! A friendly reminder to walk your bike/scooter once on school grounds and lock up both items!

Sincerely,

Amber Monteath

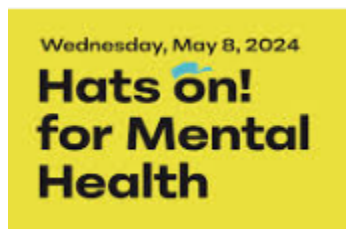

Are You Moving...

Please call Toni or Linda at the office (780-349-3385) if you are moving away for next school year. This helps teachers when making class lists.

Hats on for Mental Health...

On Wed. May 8, students will be participating in a variety of activities to promote mental health.

Thank you to Mme Gottschalk and her team for organizing the event and for staff running stations. Each student gets to choose four stations of their choice. Examples of stations include yoga, art, origami, fitness, lego, puzzles etc.

Don't forget to wear a hat to support mental health!

Gr. 6 Outdoor Ed...

Our Gr. 6 students are eagerly awaiting Outdoor Ed. For the first time, students will be attending Camp Warwa.

Students get to spend two days, with an overnight stay participating in a variety of activities.

Gr. 6 Provincial Achievement Tests...
