Congratulations to our Cross Country runners that went to
the Golf Course on September 16.

Thank you for representing our school, well done!

Thank you!

On September 25, École Westlock Elementary staff and students got out to run or walk in support of cancer research for the Terry Fox Foundation. The challenge for the students this year was to “Try like Terry” who ran 5373 km and raised \$1 from each Canadian. Our students set individual goals for running/walking for a total of thirty minutes and raising over \$3500.00. Three laps around our field is roughly 2.3 kilometers and they did a fantastic job!

Westlock Elementary worked very hard to pull together a very successful fundraiser with help from the community. First of all, we would like to send a big THANK YOU to WES Parent Council for cooking and delivering about 400 hot dogs to our students. We would also like to thank the following community businesses for their support:

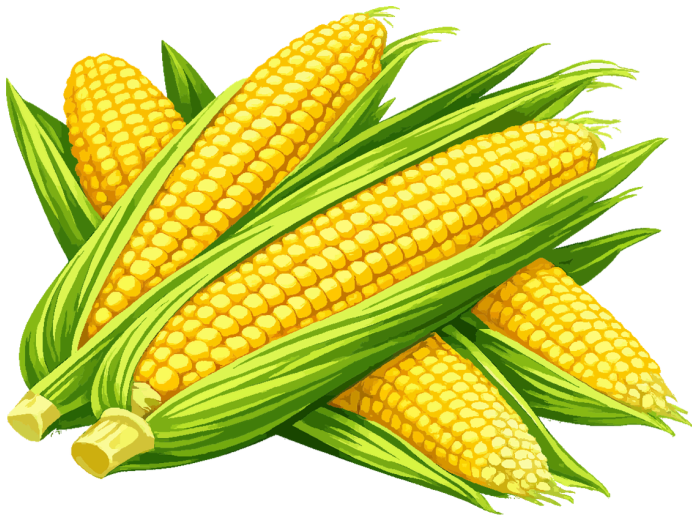

- K & J farms for donating all of the hot dogs
- Sobey's Westlock for donating hot dog buns
- David Truckey for donating the ketchup, mustard and relish as well as offering special pricing on the Dilly Bars

We could not have done this without all of the community support! Thank you for another successful year! The kids have really brought in donations this year as we are already over \$2000.00! Stay tuned for our Grand Total of our fundraising efforts. The donation deadline is Tuesday, October 6th.

Upcoming Gr. 6 Sports News
